The house has everything you need for sleeping and cooking and a washing machine. It has no air conditioning but there is a fan in each room. No internet available in the house. This house is suitable for sporty people who don't mind walking and who do not worry about darkness because the house is down a small hill (about 100 meters) from the main street. There are no other houses close by it and it is very dark at night, so it is necessary to use a flashlight during the walk back to the house, for the last 50 meters. Flashlights are available in the house. This house is best suited for a couple or a group of friends.

## THE FOOD IN MORNICO LOSANA

We receive our students with a free **“Welcome Breakfast”** for the first day of class.

All mid-day lunches for the class period are free. We have lunch on the terrace with panoramic view and healthy fresh food, with vegetables and fruit from our garden. Fresh natural and sparkling water and excellent wines from our Village are also available. Picnics with delicious and authentic local food are planned during our excursions in the area. We organize two free dinners for our students: a **“Pizza Night”** to test the best pizza in the area and a **“Goodbye Dinner”** on the last evening.

There are two **mini-markets** in the village: one is opened only mornings from Tuesday to Sunday 9:00 to 12:30. The other one open all day from 8:30 to 7:30 PM; both sell fresh bread and everything you could need, except fresh meat or fish. They also sell frozen products. Once a week in the morning, two vans arrive in the main square to sell fresh vegetables, cheese and more. We organize a free trip to the nearby big **supermarket** for shopping and we also usually stop at the supermarket when we pick students up at the rail station in Voghera or the airport, before we get to Mornico Losana. An extra transportation service is always available to get to the nearest city, the commercial area or Rail Station. The transportation fee for this service is € 15 per car. Mornico has one **Bar** with good coffee and cappuccino and excellent homemade cookies and cakes. It is open from Tuesday to Sunday. There are also two **restaurants** opened during the weekend previous reservation. Prices for a full dinner vary from € 25 to 35 per person.
